NEED A VERIFICATION OF COMPETENCY?

Sometimes an employer will ask you to provide a Verification of Competency or VoC. This means you need to re-assessed on a competency that you already hold to verify that you can still do everything your ticket states you can do (knowledge and performance). Civil Train can provide this service for all plant. Give us a call to find out more.

CAN'T FIND THE MACHINE YOU ARE LOOKING FOR?

Don't worry, our team of assessors have a wide range of plant experience – just give us a call to discuss your needs.

REGIONAL TRAINING WE TRAVERSE SOUTH AUSTRALIA, SO YOU DON'T HAVE TO.

If you are in the regions, we recognise it can be expensive to get your staff to Adelaide for training. Travel time, accommodation, not to mention operational down time are all expenses and hassles you don't need!

So, we bring our most popular courses to you!

If you need a course that we do not have scheduled, we can provide you with a competitive quote to deliver precisely what your business needs...when you want it, where you want it.
