

# **CIVIL TRAIN**

*The Training Division of the CCF*

## **QUALIFICATION**

**RII20715 CERTIFICATE II in CIVIL CONSTRUCTION**

## **MONARTO SAFARI PARK**

*Are you looking to work in the civil construction industry,  
and need a broad, entry level qualification to get your foot in the door?*

### **COURSE OVERVIEW**

This qualification reflects the role of individuals working in an operational role in civil construction, who undertake a prescribed range of tasks using limited practical skills and fundamental knowledge, in a defined context working under supervision.

### **COURSE DURATION**

This program is offered as a full time, 12 week, course.

### **ENTRY REQUIREMENTS**

- Civil Train will conduct a Foundation Skills entry assessment at a level required to successfully complete the qualification and work in the industry at the level required for this qualification. Potential clients who are identified as not meeting course entry requirements will be assisted with referral to appropriate support services.
- In general, participants will need to be physically fit due to the nature of the work.
- Civil Train will conduct a suitability interview prior to enrolment
- Entrants will be required to have a White Card prior to starting training on the qualification (if not, Civil Train will provide)

### **DELIVERY AND ASSESSMENT**

There are theory and practical training and assessment components to the course.

#### **Credit Transfer**

Credit transfer involves assessing a previously completed course or subject to see if it provides equivalent learning or competency outcomes to those required within the current course of study.

#### **Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC)**

RPL and RCC provides students with an opportunity to have their current skills and competencies recognised. These skills and competencies may relate to units that they are about to commence and as a result may exempt them from studying these units.

### **LOCATION**

Most training will take place at Monarto Zoo. Some training/tickets may take place at Thebarton.

### **PATHWAYS**

It is expected that most participants will progress onto a Certificate III traineeship with an employer.

# CERTIFICATE II in CIVIL CONSTRUCTION

## UNITS OF COMPETENCY

Successful completion of <b>sixteen (16)</b> units of competency made up of: <b>Ten (10) Core units – these are mandatory and cannot be changed</b>
