

CIVIL TRAIN

The Training Division of the CCF

QUALIFICATION

RII30115

CERTIFICATE III in SURFACE EXTRACTION OPERATIONS

*Are you working as a production operator in an open cut mine or quarry,
participating in a broad range of tasks?*

COURSE OVERVIEW

This qualification reflects the role of employees such as production operators in an open cut mine or quarry, who perform tasks involving a broad range of skilled applications in a varied work context, using some discretion and judgement in selecting equipment, services or contingency measures.

COURSE DURATION

This program is delivered over 18 months. Formal training may be completed in a shorter amount of time. It is also available as a Contract of Training.

ENTRY REQUIREMENTS

- Civil Train will conduct a Foundation Skills entry assessment at a level required to successfully complete the qualification and work in the industry at the level required for this qualification. Potential clients who are identified as not meeting course entry requirements will be assisted with referral to appropriate support services.
- In general, participants will need to be physically fit due to the nature of the work.
- Civil Train will conduct a suitability interview prior to enrolment
- Entrants will be required to be employed in a surface extraction operations role
- Entrants may be required to have a White Card prior to starting training on the qualification

DELIVERY AND ASSESSMENT

There are theory and practical training and assessment components to the course. Skills will be trained and assessed through a mixture of off-the-job and on-the-job training and assessment.

Credit Transfer

Credit transfer involves assessing a previously completed course or subject to see if it provides equivalent learning or competency outcomes to those required within the current course of study.

Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC)

Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC) provides students an opportunity to have their current skills and competencies recognised. These skills and competencies may relate to units that they are about to commence and as a result may exempt them from studying these units.

For further details and training dates please contact
Civil Train on 8111 8001
