

# CIVIL TRAIN

The Training Division of the CCF

## QUALIFICATION

RII30915

## CERTIFICATE III in CIVIL CONSTRUCTION

(Pipe laying)

*Are you working as an operator in the civil construction industry, participating in a broad range of jobs with a focus on laying pipes?*

### COURSE OVERVIEW

This qualification reflects the role of a skilled operator working in civil construction, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge.

### COURSE DURATION

This program is offered as a 24 month (WA) or 36 month (SA) Contract of Training. Formal training may be completed in a shorter amount of time.

### ENTRY REQUIREMENTS

- Civil Train will conduct a Foundation Skills entry assessment at a level required to successfully complete the qualification and work in the industry at the level required for this qualification. Potential clients who are identified as not meeting course entry requirements will be assisted with referral to appropriate support services.
- In general, participants will need to be physically fit due to the nature of the work.
- Civil Train will conduct a suitability interview prior to enrolment
- Entrants will be required to be employed in the civil construction industry
- Entrants will be required to have a White Card prior to starting training on the qualification

### DELIVERY AND ASSESSMENT

There are theory and practical training and assessment components to the course. Skills will be trained and assessed through a mixture of off-the-job and on-the-job training and assessment.

### Credit Transfer

Credit transfer involves assessing a previously completed course or subject to see if it provides equivalent learning or competency outcomes to those required within the current course of study.

### Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC)

RPL and RCC provides students with an opportunity to have their current skills and competencies recognised. These skills and competencies may relate to units that they are about to commence and as a result may exempt them from studying these units.

# CERTIFICATE III in CIVIL CONSTRUCTION

(Pipe Laying)

## UNITS OF COMPETENCY

Successful completion of <b>twenty five (25)</b> units of competency made up of:		
<b>Seven (7) Core units – these are mandatory and cannot be changed</b>		
CORE	RIIBEF201D	Plan and organise work
CORE	RIICCM201D	Carry out measurements and calculations
CORE	RIICCM203D	Read and interpret plans and specifications
CORE	RIICOM201D	Communicate in the workplace
CORE	RIIWHS201D	Work safely and follow WHS policies and procedures
CORE	RIISAM203D	Use hand and power tools*
CORE	RIISAM204D	Operate small plant and equipment*
<b>Ten (10) units from Group G – these are mandatory and cannot be changed</b>		
G	RIICCM202D	Identify, locate and protect underground services
G	RIICCM205E	Carry out manual excavation
G	RIICCM206D	Support plant operations*
G	RIICCM207D	Spread and compact materials manually
G	RIICCM208D	Carry out basic levelling
G	RIIWHS302D	Implement traffic management plan
G	RIISAM201D	Handle Resources and infrastructure materials and safely dispose of non-toxic materials*
G	RIIWMG203D	Drain and dewater civil construction site*
G	RIICCM210D	Install trench support*
G	RIICRC208D	Lay pipes*
<b>Eight electives including:</b>		
<b>Select at least one (1) from Group H</b>		
H	RIICPL301D	Install water main pipelines*
H	RIICPL302D	Install stormwater systems*
H	RIICPL303D	Install sewer pipelines*
<b>Select at least three (3) from Group I</b>		
I	RIICPL304D	Install pre-cast gully pits*
I	RIICPL305D	Install pre-cast access chambers*
I	RIICRC201D	Repair potholes*
I	RIICRC301D	Maintain drainage systems*
I	RIIHAN301D	Operate elevating work platform
I	RIIIMG301D	Maintain site records
I	RIIWHS202D	Enter and work in confined spaces
I	RIIWHS204D	Work safely at heights
I	RIIRIS201D	Conduct local risk control
I	RIISAM205D	Cut, weld and bend materials*
<b>Other recommended electives (maximum of four (4) )</b>		
-	RIIMPO320E	Conduct civil construction excavator operations*
-	RIIMPO319D	Conduct civil construction backhoe/loader operations*
-	RIIWHS205D	Control traffic with a stop/slow bat
-	MSMWHS217	Gas test atmospheres

\*Must have consistent access to these activities in the workplace suitable to meet assessment requirements

Other electives may be offered, in accordance with the packaging rules. Please discuss with a Civil Train representative if you would like to discuss electives not identified on this course information brochure.
