*The Training Division of the CCF*

**QUALIFICATION**

**RII40715**

## **CERTIFICATE IV in CIVIL CONSTRUCTION SUPERVISION**

*Are you working as a supervisor in the civil construction industry,  
participating in a broad range of jobs?*

### **COURSE OVERVIEW**

This qualification reflects the role of employees working in supervisory positions in civil construction, performing tasks involving a broad range of varied activities most of which are complex and non-routine. They are responsible for the safety, efficiency and quality of work of others, contribute to the development of technical solutions to non-routine problems and apply management plans to the workplace.

### **COURSE DURATION**

This program is available as an 18 month (WA) or 24 month (SA) Contract of Training. Formal training may be completed in a shorter amount of time.

### **ENTRY REQUIREMENTS**

- Civil Train will conduct a Foundation Skills entry assessment at a level required to successfully complete the qualification. Potential clients who are identified as not meeting course entry requirements will be assisted with referral to appropriate support services.
- Entrants will be required to have current and relevant experience in the civil construction industry.
- Entrants will be required to have a current White Card (issued after 2011) and a current Work Zone Traffic Management ticket (unless selected as a Group B elective).

### **DELIVERY AND ASSESSMENT**

There are theory and practical training and assessment components to the course. Skills will be trained and assessed through a mixture of off-the-job and on-the-job training and assessment. Part of this training and assessment may be undertaken online.

#### **Credit Transfer**

Credit transfer involves assessing a previously completed course or subject to see if it provides equivalent learning or competency outcomes to those required within the current course of study.

#### **Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC)**

RPL and RCC provides students with an opportunity to have their current skills and competencies recognised. These skills and competencies may relate to units that they are about to commence and as a result may exempt them from studying these units.
