*The Training Division of the CCF*

**SHORT COURSE**

## **Install Trench Support**

RIICCM210D Install trench support

***Are you required to work around trenches and install trench support in a civil construction context?***

### **COURSE OVERVIEW**

Working in trenches is arguably one of the most dangerous tasks undertaken in the civil construction industry.

The primary function of any trench support method is to protect people from caving ground. The secondary function is to provide support to nearby structures and allow equipment access to the work.

You will learn about the effect of different soils and ground types, trenches, control of excavations (benching, battering, shoring) and safe removal of trench support.

### **COURSE OUTCOMES**

On completion of the course you will be able to:

- Plan and prepare for installing trench support
- Install trench shoring
- Remove trench shoring
- Conduct housekeeping activities

If successful you will receive a Statement of Attainment and plastic card to keep in your wallet to show competency.

### **COURSE DURATION**

This course is one day (8 hours).

### **DELIVERY AND ASSESSMENT**

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

### **LOCATION**

Public courses are scheduled frequently at Civil Train SA offices in Thebarton and Port Augusta.

Install trench support is also delivered regionally – please contact the office for regional locations and dates.

Civil Train SA can come to your worksite to deliver install trench support training to a group of employees – please contact the office for a quote.

For further details and training dates please contact

## **ENTRY REQUIREMENTS**

Entrants will need a level of language and literacy skills to enable them to meet the requirements of the course.

Civil Train SA recommends year 10 school completion or equivalent as a guide to the level required for short courses.

Language, Literacy and Numeracy skills required for this course include:

- using a range of communications techniques and equipment to convey information to others
- complying with written and verbal reporting requirements and procedures

**ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.**

## **PERSONAL PROTECTIVE EQUIPMENT**

Enclosed footwear is a minimum requirement for all Civil Train SA sites. Long pants and a long sleeved shirt, safety boots and hi-vis is required for the practical component of this course. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.

## **FEES**

Please refer to our [Fees Schedule](#) for current fees and subsidies.

Please refer to our [Fees and Refunds Policy](#) for terms and conditions.

Both documents are published on our website [www.civiltrainsa.com.au](http://www.civiltrainsa.com.au)
