SHORT COURSE

LOAD, UNLOAD AND RESTRAIN PLANT & EQUIPMENT

RIIHAN308E Load and unload plant

Are you involved in loading, restraint and unloading of plant on trailers/floats?

COURSE OVERVIEW

The loading and unloading of plant from a transporter must be handled carefully to ensure the safety of workers in the area and the integrity of the plant.

This course covers preparing plant for loading, including applicable permits and securing the equipment. You will go through the process of moving plant and unloading it safely.

This course further includes the non-accredited module of restraining plant and equipment. This part of the course will cover:

Loading for Transport (Load Restraint Guide)

- General Principles of Load Restraint
- Restraining Loads on Vehicles

Calculating Restraint Requirements

- Securing Equipment
- Types of restraint
- Lashing points
- Loads secured using correct load restraint

COURSE OUTCOMES

On completion of the course you will be able to:

- Plan and prepare to load and unload plant
- Load and restrain the plant
- Unload the plant

If successful you will receive a Statement of Attainment and plastic card to keep in your wallet to show competency.

COURSE DURATION

This course is one day (8 hours).

DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

LOCATION

Public courses are scheduled frequently at Civil Train SA offices in Thebarton and Port Augusta.

Load and unload plant is also delivered regionally – please contact the office for regional locations and dates.

Civil Train SA can come to your worksite to deliver load and unload plant to a group of employees – please contact the office for a quote.

For further details and training dates please contact
Civil Train on **8111 8001**
1 South Road, Thebarton SA 5031
www.civiltrainsa.com.au

The logo for Civil Train is presented on a dark blue banner with a white, torn-edge top border. The banner has a jagged, sawtooth-like bottom edge. The text 'CIVIL TRAIN' is written in a bold, sans-serif font, with 'CIVIL' in white and 'TRAIN' in orange. Below this, the tagline 'The Training Division of the CCF' is written in a smaller, white, sans-serif font.

ENTRY REQUIREMENTS

Entrants will need a level of language and literacy skills to enable them to meet the requirements of the course.

Civil Train SA recommends year 10 school completion or equivalent as a guide to the level required for short courses.

Language, Literacy and Numeracy skills required for this course include:

- complying with written and verbal reporting requirements and procedures
- communicating clearly and concisely with others to receive and clarify work instructions
- communicating clearly and concisely with others to resolve coordination requirements prior to commencing and during work activities
- accessing, interpreting and applying technical information
- calculating volume and weights
- maintaining equipment records

Participants must hold a competency (duty of care or equivalent) for the plant they will be loading and unloading.

ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.

PERSONAL PROTECTIVE EQUIPMENT

Long pants and a long sleeved shirt, safety boots and hi-vis is required for the practical component of this course. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.
