The Training Division of the CCF

**SHORT COURSE**

## **CONFINED SPACE**

RIIWHS202D Enter and work in confined spaces

***Are you working in an industry where you may need to work in a confined space? This course is recognised by industry, including the mining sector.***

### **COURSE OVERVIEW**

Working in confined spaces is a highly hazardous activity and is governed by various legislative instruments.

Confined spaces are commonly found in tanks, ducts, flues, chimneys, containers or other similar enclosed or partially enclosed structures. They pose dangers because they are usually not designed to be areas where people work. The hazards are not always obvious and may change with each entry into the confined space.

This course is based on this applicable State legislation to provide you with the skills and knowledge to safely work in confined spaces.

### **COURSE OUTCOMES**

On completion of the course you will be able to:

- Plan and prepare for working in confined space
- Work in confined space
- Exit confined space
- Clean up

If successful you will receive a Statement of Attainment and plastic card to keep in your wallet to show competency.

Industry recommends this course is renewed every two years.

### **COURSE DURATION**

This course is one day (8 hours).

### **DELIVERY AND ASSESSMENT**

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

### **LOCATION**

Public courses are scheduled frequently at Civil Train SA offices in Thebarton and Port Augusta.

Confined spaces is also delivered regionally – please contact the office for regional locations and dates.

Civil Train SA can come to your worksite to deliver Confined Space training to a group of employees – please contact the office for a quote.

For further details and training dates please contact  
**Civil Train on 8111 8001**  
1 South Road, Thebarton SA 5031

The Training Division of the CCF

## **ENTRY REQUIREMENTS**

Entrants will need a level of language and literacy skills to enable them to meet the requirements of the course.

Civil Train SA recommends year 10 school completion or equivalent as a guide to the level required for short courses.

**ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.**

## **PERSONAL PROTECTIVE EQUIPMENT**

Long pants and a long sleeved shirt, safety boots and hi-vis is required for the practical component of this course. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.

## **FEES**

Please refer to our [Fees Schedule](#) for current fees and subsidies.

Please refer to our [Fees and Refunds Policy](#) for terms and conditions.

Both documents are published on our website [www.civiltrainsa.com.au](http://www.civiltrainsa.com.au)
