

# **CIVIL TRAIN**

The Training Division of the CCF

**SHORT COURSE**

## **WORKING AT HEIGHTS**

RIIWH5204D Work safely at heights

**Are you working in an industry where you will need to work at heights? This course is recognised by industry, including the mining sector.**

### **COURSE OVERVIEW**

'Working at height' is whenever people are at risk of falling from, into or through one level to another or at risk of hitting others below with falling objects.

When working at height, preparation and planning are essential. Falls from height can leave employees with permanent and debilitating injuries. Falls often occur from roofs, scaffolds, ladders, trucks and mezzanine floors or into pits or holes, although falls from less than one metre can result in serious injury.

### **COURSE OUTCOMES**

On completion of the course you will be able to:

- Identify work requirements
- Identify work procedures and instructions
- Access and install equipment
- Perform work at heights
- Clean up work area

If successful you will receive a Statement of Attainment and plastic card to keep in your wallet to show competency.

Industry recommends this course is renewed every two years.

### **COURSE DURATION**

This course is one day (8 hours).

### **DELIVERY AND ASSESSMENT**

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

### **LOCATION**

Public courses are scheduled frequently at Civil Train SA offices in Thebarton and Port Augusta.

Working at Heights is also delivered regionally – please contact the office for regional locations and dates.

Civil Train SA can come to your worksite to deliver Working at Heights training to a group of employees – please contact the office for a quote.

For further details and training dates please contact  
**Civil Train on 8111 8001**  
1 South Road, Thebarton SA 5031  
[www.civiltrainsa.com.au](http://www.civiltrainsa.com.au)

The logo features the words "CIVIL TRAIN" in a bold, sans-serif font. "CIVIL" is in white with a blue outline, and "TRAIN" is in blue with a white outline. Below it, the tagline "The Training Division of the CCF" is written in a smaller, white, sans-serif font. The entire logo is set against a dark blue background that has a jagged, torn-paper edge at the top and bottom.

## ENTRY REQUIREMENTS

Entrants will need a level of language and literacy skills to enable them to meet the requirements of the course.

Civil Train SA recommends year 10 school completion or equivalent as a guide to the level required for short courses.

Learners will need to be able to work at height.

**ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.**

## PERSONAL PROTECTIVE EQUIPMENT

Long pants and a long sleeved shirt, safety boots and hi-vis is required for the practical component of this course. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.
