

CIVIL TRAIN

The Training Division of the CCF

SHORT COURSE

WA PVC PIPE LAYING

Are you tendering for work with WA Water Corp or are already a WA Water Corp approved contractor and are requiring your three year refresher?

COURSE OVERVIEW

The PVC Course is a Water Corp of WA accredited program, for the operations in the civil and construction areas where PVC Pipe Laying is required. This course will provide participants with the knowledge and the skills to understand different types of PVC pipe and their properties, the correct excavation requirements; including the relevant safety and installation methods that conform to the utility provider's specifications.

Refreshers are required every three (3) years.

COURSE CONTENT

- Definitions relating to the industry
- Pipe identification and marking
- Physical properties
- Storage, uploading and handling
- Excavation precautions and regulations
- Soil conditions, fill and pipe support zones
- Thrust blocks
- Cutting and chamfering
- Solvent cement joining installation
- Rubber ring jointing
- Tapping methods
- Pipeline repairs
- Testing and commissioning

Upon completion you will receive a Statement of Attendance and wallet card.

COURSE DURATION

This course is one day (8 hours).

DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

LOCATION

Public courses are scheduled frequently at Civil Train offices at 70 Verde Drive, Jandakot.

Civil Train can come to your worksite to deliver WA PVC Pipe Laying training to a group of employees – please contact the office for a quote.

PERSONAL PROTECTIVE EQUIPMENT

Enclosed footwear is a minimum requirement for all Civil Train sites. Other sites may have other requirements which will be confirmed at the time of booking.
